Practicing Family Medicine in Hay River

Hay River is the perfect community for a comprehensive Family Practitioner that is looking for cultural variety, hard-working support staff, and new infrastructure all packaged up in a fabulously inviting town.

We are currently looking for **permanent Family Practitioners** to join our staff.

A typical day would include a mix of family clinic, or a mix of emergency room and hospitalist services in participation with on-call rotation. Nursing home and/or extended care support and medevacs are also part of the typical practice. The Hay River Regional Health Centre includes ambulatory care, acute care, long-term care, mental health, allied health services, laboratory, and diagnostic imaging. There is excellent support by visiting specialists from Yellowknife.

Hay River is only one hour north of the 60th parallel and is host to numerous festivals, events, and outdoor activities. We also have a newly built recreational centre to give you year-round access to the aquatic centre, indoor walking track, gym, curling rink, and ice rink.

To get you introduced to the town you can attend the dog sled races in January and the K'amba Carnival at the end of February. In March, we have the Polar Pond Hockey tournament on the Great Slave Lake, Wine Festival, Figure Skating Ice Carnival, and cross country ski races. In May, the Territorial parks open and the long list of summer activities begin! You'll be amazed at how quickly you will become a part of this community and realize a true work-life balance.

The HRHSSA will offer you a challenging and fulfilling career within the healthcare industry. We believe in hiring exceptional people who are ready and willing to provide exceptional quality of care to our communities. If you are interested in this opportunity, I would be happy to talk with you.
